WARRANTY NOTE!

Please see your *Instruction Manual* for this product's warranty coverage. Outside of the original coverage period, meters sent in for a failed symptom and repaired, that failed symptom will receive a 90-day warranty. If a different failure symptom occurs within that 90 days, it will not be covered under the previous failure symptom's 90-day warranty. Your meter must be sent in to verify failure and warranty.

"Freight Collect" Note:

Please ensure that your Freight Collect information is correct and current. Incorrect or otherwise unusable freight collect information may result in all additional freight charges billed to you.

Wagner Meters Service Information

Repair of MMC and MMI model meters is no longer available. As stated within the Warranty section of your meter manual: "Wagner Meters' liability under this warranty shall be limited, at Wagner Meters' option, to the repair or replacement of this product or any part thereof, which is demonstrated to be defective."

1. If your MMC or MMI model meter is (or would have been) deemed unrepairable, you will be notified before any action is taken.
2. In lieu of repair, for the amount equaling what the standard MMC/MMI repair fee was (\$162), Wagner will replace your MMC or MMI model meter with a brand new, comparable Orion model if it is determined that your MMC or MMI meter needs to be repaired.
3. If it is (or would have been) determined your MMC or MMI model meter needs (or needed) NO repair, it will be recalibrated and a \$137.50 diagnostic/recalibration fee will be charged.
